

Manager for Local Partnerships - Traffic Information and Mobile Services

The company:

ARC Europe S. A. / N. V. is the international network of the European automobile clubs (our Shareholders are: ADAC, AA, ANWB, ACI, ÖAMTC, RACE, Touring & TCS). It was formed in 1991 to address the needs of the business-to-business market by offering pan-European roadside assistance, travel and personal services.

ARC Europe today is the largest supplier of roadside assistance services in Europe with an outstanding network in more than 40 countries. Furthermore, the company is entering new fields of activities like Traffic Information and Mobile Services.

In order to meet the increasing demand of the market and to strengthen its team in Brussels (Evere), ARC Europe is looking for a Manager for Local Partnerships - Traffic Information and Mobile Services to join the team as soon as possible.

For more details on the company → see www.arceurope.com

The job responsibilities:

ARC Europe integrates traffic information from local providers. The Manager for Local Partnerships will be responsible for expanding the coverage of our traffic information service to the entire European territory and managing the relationship with the different local providers.

The expansion will require the capability to organise the launch of a new traffic information business on the local territory, with the central technical support of ARC Europe and includes all aspects of a network management and local business development.

The job will also include the development of the telematics services across the ARC Europe network.

The wanted profile:

Strong business development minded individual with background in ICT.

Familiarity with standards of data exchange and system interfaces (webservices, XML...) .

Excellent interpersonal contact and professional manners in multicultural environment.

Good strategic understanding with flexible mindset adapting to fast moving competing environment.

Creative and problem solver.

Very enthusiastic and resourceful.

Team player while being able to act independently.

Previous experience with traffic information / mobility related field is an important asset.

Language skills: English. Other languages are an asset

Computer literate in MS Office.

Willing to travel extensively, mostly in Central and Eastern European countries.

Results oriented.

The offer:

An interesting job with plenty of variety in an international & multicultural environment.

Salary package in line with responsibilities.
